

Hybrid Gates

Maximum-Duty Security

The Strongest, Most Secure Gate on the Market

- Ideal for storefronts, large entries and public spaces
- Utilizes a continuous frame, vertical bars and scissor style webbing
- Maintenance-free galvanized steel construction
- Gates ship in 7-14 business days
- Custom powder coated colors available
- 100% made in America

Over 160 Years of Loss Prevention Experience

Hybrid Gates

Designed with a continuous frame on all sides that feature twice as much steel as our standard heavy-duty gates, the Hybrid utilizes a combination of vertical bars and traditional scissor style webbing to provide total coverage and maximum security. Available in single or pair, each Hybrid gate is custom built to your specifications to protect openings of any size.
